As we age, time seems to pass more quickly. Years seemingly fly by as one holiday flows into the next, January quickly becomes December and life maintains its hectic pace. What do we accomplish in all of that busyness? Perhaps technology is responsible for some of the frenzy, keeping us isolated in our social media worlds, communicating through texts rather than in person, and always connected to world events. We're over stimulated in many ways by information, noise, opinions, and ideologies. Yet, we still find the time to decorate our homes, purchase gifts, and plan Christmas gatherings. We know, however, that the true meaning of Christmas is not found in twinkling lights, beautifully adorned trees, perfectly set tables or exchanged gifts. We are being called to something deeper and more authentic.

Christmas reminds us to look for God along the way of our lives and not get distracted by the illusions around us. Our world's complexity can leave us

feeling displaced, desperate, alone, neglected, and unimportant. Joseph and Mary felt that way too. In the midst of all that captures and intrigues us in our self-created virtual worlds, is this longing for the anchor of faith to keep us grounded and make sense of it all. Only faith can give us the perspective to see what truly matters in life. We discover our divinely blessed humanity. The uncertain and challenging journey to Bethlehem gives way to the tender moments of birth and its embrace. Christmas softens us and slows us down a bit. It shows us Jesus as the light who enlightens everyone. It shows us the truth.

The faith that comes from Christmas calms our fears and allows us to go into the nighttime of our lives courageously. We are never lost or alone. We need to stop and savor more of life's moments before they slip away in time. God is with us, loving us, and leading us where we need to be. God is born again and again in every soul willing to give birth to His presence. God connects us and provides us with a place where we feel safe and welcome: home. Merry Christmas! ©LPI

LIVE THE LITURGY

The true meaning of Christmas is not found in the twinkling lights, the beautifully adorned trees, or the exchanged gifts. It is revealed when we find God along the way of our lives, especially when we feel displaced, desperate, and alone. Fleeing from their home, Joseph and Mary cautiously made their way through the uncertain, complex, and dark paths to a longed-for place of safety and welcome. Not sure where to lay their heads, they created makeshift preparations for the birth of their child, the Son of God. God, who always was, is, and will be, without beginning or end is the one constant in life who sees us through difficult and scary times. Jesus is the light, which enlightens everyone, and comes into the world to show us the truth. It is joyful good news that calms our fears and allows us to go forth into the nighttime of our lives, courageously. This is the meaning of Christmas. We are never lost or alone. God is with us, loving us and leading us where we need to be. ©LPI

Stewardship Reflection

Being the Sign

I think the real challenge of evangelization in the modern age is the reality that pretty much everyone has already heard of Jesus Christ — or, at least, they think they have.

To our 21st-century eyes, the angel who shared news of the birth of Jesus with the shepherds had an easy job. All he had to do was announce it.

Our baptism compels us to do the same — to announce the coming of Christ over and over again, always and everywhere. But our audience is not a group of illiterate shepherds in ancient Judea. Our audience is a world that has heard so much about Jesus they often claim weariness of His name. So how do we do it? If we walk into a crowd of strangers and tell them we want to talk about Jesus, their reaction will probably be either "I already know about Jesus, thanks," or "I've heard of Him, and based on the behavior of those who claim to follow Him, I'm really not interested in hearing more."

Because in the end, our very lives are how we "announce His salvation" in the present day. We announce it in our actions to strangers. We announce it in our treatment of people who have wronged us. We announce it in our interactions with those who disagree with us.

How long had the coming of the Messiah been foretold to the Israelites? So long that, no doubt, many of them despaired of His coming altogether. So, God had to give them a sign: "You will find an infant wrapped in swaddling clothes and lying in a manger."

Now we are the sign.

The world has heard of Christ by now. But have they all seen Him? It's our job to show them.
